Medical

All our coaches are First Aid qualified, and we have a Defib on site. This is stored in the tunnel area of ground.

In the unfortunate scenario that a player needs urgent medical assistant, the nearest A&E Department is at Rotherham General Hospital. The address is Moorgate Road, Rotherham, S60 2UD.

Respect

All behaviour must adhere with The FA's Respect Policy. Dinnington Town Football Club adopt a zero-tolerance approach to the abuse of players, coaches, referees or other spectators. At our sole discretion, without warning, we reserve the right to eject anybody if a club official deems behaviour and/or language to be unacceptable.

Safeguarding

Please ensure no photos or videos are taken without prior consent from both teams. We as a club have no issues with this, but you should approach both teams prior to the game and get their consent to taking pictures or videos.

Litter

Please ensure all litter is put in the bins provided or taken away with you. We are a volunteer run club so if you don't do this, then we'll have to ☹️
